Stable and secure maritime email

GTMailPlus

Stable and secure maritime email

GTMailPlus is a cutting-edge email service designed for use in demanding remote environments – fully optimised for maritime. Airtime independent, GTMaritime have also reengineered GTMailPlus so that it is also operating system independent running on both Linux and Windows, providing more solutions for our customers.

GTMailPlus is delivered as a secure, stable, cloud based service which enables essential business communications in an optimised manner. The web dashboard allows for the remote configuration and administration of vessels, making life easier for both crew and shore based IT Teams.

“Worth its weight in gold.”
Robert Bates, IT Manager, STAR Reefers

“A cost-effective solution on a per vessel basis means that email management is both simple and efficient.”
Jack Jenkins, MOL
