GTMailPlus

GTMailPlus is a cutting-edge email service designed for use in demanding remote environments – fully optimised for maritime. Airtime independent, GT**Maritime** have also reengineered GTMailPlus so that it is also operating system independent running on both Linux and Windows, providing more solutions for our customers.

GTMailPlus is delivered as a secure, stable, cloud based service which enables essential business communications in an optimised manner. The web dashboard allows for the remote configuration and administration of vessels, making life easier for both crew and shore based IT Teams.

Why do I need GTMailPlus?

GT**Martime** understand the critical importance of email to the commercial shipping industry, GTMailPlus has been developed specifically for the maritime industry to deliver performance, reliability and intelligent operation. GT**Martime** also provide 24/7 365 ITIL trained global support.

GTMailPlus Features

Benefits of GTMailPlus

✔ **Operating System Independent** - able to run on both Linux and Windows

✔ **Airtime independent** - available to work with any airtime supplier

✔ **Restart from point of interruption** - resumes data transfer from point of interruption if there is a break in communications

✔ **Flexible and Agile** - tailor to fulfill your specific needs and works with any front end client such as Outlook. Also includes built in webmail

✔ **Web Dashboard** - fleetwide remote management and configuration from a single dashboard. Includes pro-active alerts and automated reports

✔ **'One Click' pre-configured install** - allows for simple, fast and remote setup, no need to send an engineer

✔ **Vessel tracking** - allows you to track the location of your vessels

✔ **Financial control** - per vessel pricing with unlimited mailboxes to provide financial predictability

✔ **No Additional hardware** - software only solution engineered to work across your current hardware

✔ **Selectable Mailflow Option** - includes mailbox preview to allow important messages to be prioritised
