The screenshot displays the GTMaritime Dashboard interface. At the top, there's a navigation bar with the GTMaritime logo and user information. Below this, there's a sidebar with search and filter options for groups and vessels. The main content area shows a table of vessels with columns for Description, Account ID, Group, Last Session Time, Last Status From Vessel, and Last Status To Vessel. The table lists several vessels, including GeorgeZervos, Marika, Mike McNally Demo, SeaMail Demo 1, SeaMail Demo 2, Tanker-1, test vessel, and Thena-Mar-1. The interface also includes a 'What's New' section and a 'Downloads' section.
