

# GTMailPlus.Archiving

Secure and simple email archiving

GTMailPlus.Archiving is an integrated cloud-based email archiving platform providing customers with quick access to data. It provides a robust and scalable solution enabling customers to manage mailboxes, e-discovery and litigation assistance resulting in the need for fewer IT resources and ultimately lowering costs.

## Why do I need Archiving?

Data has become critical to all businesses. Archiving allows fast, safe and secure access and retrieval of all emails to reduce business risks and ensures legal compliance.

“ Archiving can provide **hard cost savings** that can be easily quantified, resulting in the ability to demonstrate a **significant return-on-investment** and a relatively short payback period. ”

Osterman Research, January 2016

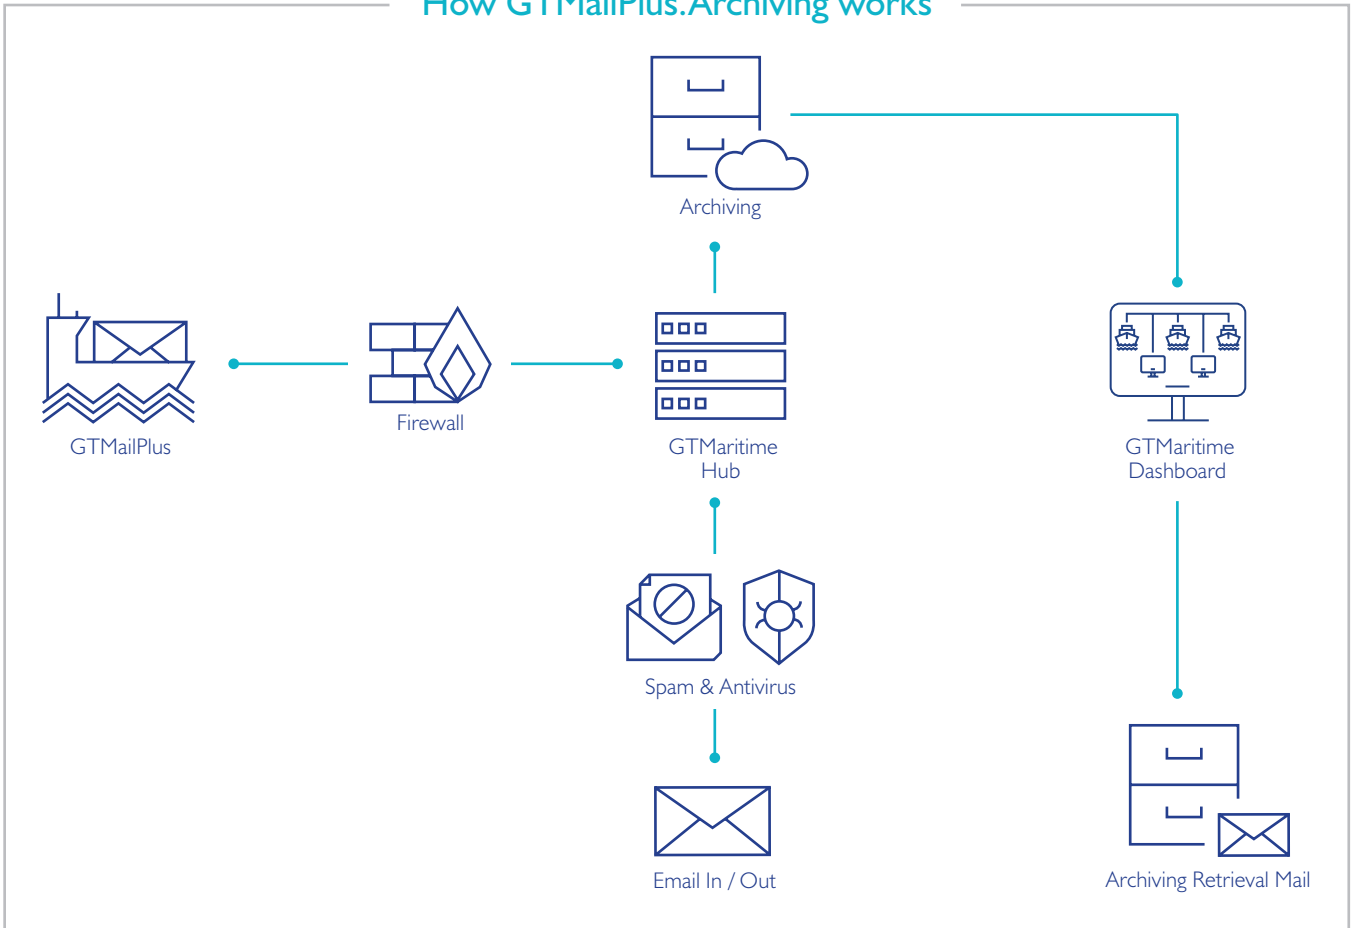

“ As much as **75% of a company's intellectual property is contained within email** and messaging systems. ”

Osterman Research, January 2016

## Benefits of Transfer

- ✓ **7 year retention of emails** - providing robust legal compliance
- ✓ **Financial control** - per vessel pricing with unlimited email volume and unlimited mailboxes to provide financial predictability
- ✓ **Flexible & scalable** - simple and easy to add or remove new vessels or mailboxes
- ✓ **Rapid search** - provides access to retrieve archived email within seconds
- ✓ **Encrypted & secure archiving** - multiple data stores across multiple locations to provide constant availability
- ✓ **Litigation support** - provides comprehensive compliance and supports e-discovery
- ✓ **Archive access history** - complete log of all searches and message views
- ✓ **Retention management platform** - purpose built platform to reduce IT costs and business risks
- ✓ **Self-retrieval** - manage and search message archive based on numerous criteria
- ✓ **Shore side archiving of vessel only emails** - emails sent between local users on the vessel are also archived shore side
