

GTMailPlus .Archiving

Secure and simple email archiving

Archiving can provide **hard cost savings** that can be easily quantified, resulting in the ability to demonstrate a **significant return-on-investment** and a relatively short payback period. ”

**Osterman Research,
January 2016**

GTMailPlus.Archiving is an integrated **cloud-based email archiving platform** providing customers with quick access to data. It provides a robust and scalable solution enabling customers to manage mailboxes, e-discovery and litigation assistance resulting in the need for fewer IT resources and ultimately lowering costs.

Why do I need Archiving?

Data has become critical to all businesses. Archiving allows fast, safe and secure access and retrieval of all emails to reduce business risks and ensures legal compliance.

As much as **75% of a company's intellectual property is contained within email** and messaging systems. ”
